ABOUT CHANDIGARH

The city is renowned for its modernist architecture, including the Capitol Complex and the Open Hand Monument. Chandigarh's well-planned infrastructure features over 50 sectors, separated by wide streets for fast-moving traffic. Notable landmarks include the Rock Garden, crafted from recycled materials by artist Nek Chand, and the extensive Rose Garden. The city also hosts prestigious educational institutions like Punjab University and the PEC CHANDIGARH, as well as recreational sites like the artificial Lake Sukhna, numerous sports complexes, and cultural centers.

ABOUT ASCE ISNR

The American Society of Civil Engineers (ASCE) India Section Northern Region is a key chapter dedicated to advancing civil engineering in northern India. It fosters innovation, promotes research, and supports professional development, aiming to elevate engineering standards and infrastructure development through education, research, and collaboration. ASCE IS NR also focuses on addressing regional challenges and contributing to the global engineering discourse.
