Instructions for Camera-Ready Submission for CISSC 2025

A) Participants need to **upload following documents** at the time of camera ready paper submission:

      1. Camera ready paper in word format
      2. Camera ready paper in pdf format
      3. Plagiarism report of camera ready paper, and
      4. Response sheet

B) Important Points while uploading camera ready submission:

      1. Ensure the final paper adheres to the specified format provided on the CISSC 2025 website.
      2. The final camera ready paper must be free of plagiarism, with a maximum allowable similarity index of 25%. Upload the plagiarism report of camera ready submission.
      3. The camera-ready paper must not exceed 8 pages, including all figures, tables, and references. Name the file as "Camera_ready_PaperID".
      4. Prepare a point-by-point response to the reviewers' comments in a separate file. Name the file as "Response_sheet_paperID" and upload this file on CMT along with camera ready file
      5. Submit the pdf and word file of both the camera-ready paper and the response sheet via the CMT system under the designated Camera-Ready Submission option.
      6. No new authors can be added at this stage of submission.

Ensure compliance with all the above guidelines to avoid delays or rejection of your submission.
