This Copyright Agreement (the "Agreement") is entered into between the undersigned author(s) (the "Author(s)") and the American Society of Civil Engineers (ASCE) in connection with the publication of the above-titled paper (the "Work") in the proceedings of the ASCE International Conference on Challenges and Innovations for Sustainable Smart Cities (CISSC 2025).

### 1. Grant of Copyright

The Author(s) hereby transfer to ASCE all copyright ownership in and to the Work, including the right to reproduce, distribute, and sell copies of the Work in any format, including print, digital, and electronic formats. This transfer of copyright is subject to the terms and conditions below.

### 2. Author Rights

ASCE grants the Author(s) the following rights:

- The right to reproduce and distribute copies of the Work for personal use, academic teaching, and research purposes.
- The right to include the Work in a thesis or dissertation, provided proper acknowledgment is made to the publication in the CISSC 2025 conference proceedings.
- The right to post the Author's final manuscript version (not the published version) on the Author's personal website or institutional repository, with a citation to the published proceedings.

### 3. Warranties and Representations

The Author(s) warrant and represent that:

- The Work is original and has not been published elsewhere in its current form.
- The Work does not infringe upon any copyright, trademark, or other proprietary rights of any third party.
- All necessary permissions for the inclusion of copyrighted material within the Work have been obtained by the Author(s).
- The Work does not contain any libelous, defamatory, or unlawful material.

### 4. Indemnification

The Author(s) agree to indemnify and hold ASCE harmless from any claims, damages, or expenses arising from a breach of the warranties set forth in Section 3.

### 5. Retained Rights

The Author(s) retain all proprietary rights other than copyright, including:

- Patent rights.
- The right to use the content of the Work for future research, presentations, or publications, provided proper acknowledgment is made to its publication in the CISSC 2025 conference proceedings.

### 6. Permissions for Reuse

Requests for permission to reuse the Work, in whole or in part, should be directed to ASCE. ASCE will handle permissions in accordance with its standard policies and practices.

### 7. Termination of Agreement

If the Work is not accepted for presentation or publication in the CISSC 2025 conference proceedings, this Agreement is null and void, and all rights revert to the Author(s).

### 8. Governing Law

This Agreement shall be governed by the laws of the United States.

### Signature Section

By signing this form, the Author(s) acknowledge that they have read and agree to the terms of this Agreement.
